## PREY FOR THE GODS

## Story

Prey for the Gods is a brutal journey set on a desolate frozen island, where your only chance of survival is to destroy the very gods you believe in. You play a lone hero sent to the edge of a dying world to discover the mystery behind a never-ending winter.

Arriving with only the clothes on your back, you must survive the colossal dangers that you encounter. To restore balance and reclaim the land from the brink, you will be faced with questions that not even a God knows the answer to.
